It is hereby notified that application for prequalification for construction Tender of **Package CC4 – Temburong Viaduct for CADANGAN PROJEK JAMBATAN TEMBURONG (PROPOSED TEMBURONG BRIDGE PROJECT)** is open.

The Works of Contract Package CC4 mainly comprises the construction of the following:

- a. Approximately 11.8km of swamp viaducts;
- b. Minor river crossing bridge;
- c. Turnaround facility;
- d. Reconfiguration of Jalan Labu at connection point;
- e. Substation building, and
- f. associated civil, structural, geotechnical, marine, environmental protection, landscaping, drainage, highways mechanical and electrical works, road lighting provisions, traffic aids and sign gantries, lightning protection system, civil and structural provision for installation of traffic control and surveillance system (TCSS) and provision of facilities for installation of utilities.

The works are scheduled to start in the 2nd quarter of 2015 and completion by 2nd quarter of 2018.

Applicants meeting the following requirements are eligible to apply for prequalification:

1. The applicant, in the case of a single contractor, must be a Class VI (category KA01) contractor registered with the Ministry of Development in Brunei. In the case of a joint venture applicant, the applicant must have at least ONE (1) Class VI (category KA01) contractor registered with the Ministry of Development in Brunei as a participant/shareholder.
2. The applicant must have an average of total annual turnover of the past 5 years of at least equivalent BND\$250 million.
3. The applicant must have a working capital, for each of the past 3 years and the projected next 2 years, of at least equivalent BND\$65 million.
4. The applicant, or any one of the participants/shareholders in the case of a joint venture applicant, must have achieved substantial completion of construction (or at least 80% completion of construction if still on-going) of one viaduct supported by driven piled foundations within the past 15 years.
5. The applicant, or any one of the participants/shareholders in the case of a joint venture applicant, must have achieved substantial completion of construction (or at least 80% completion of construction if still on-going) of one viaduct of at least 90m long span over water using the balanced cantilevered method within the past 15 years.
6. The applicant, in the case of a single contractor, must obtain a quality management system certification that complies with the requirements of BS EN ISO 9001 : 2008. In the case of a joint venture applicant, each and every participant/shareholder except the Class VI (category KA01) contractor registered with the Ministry of Development in Brunei, must obtain a quality management system certification that complies with the requirements of BS EN ISO 9001 : 2008.

7. The applicant, or each and every participant/shareholder in the case of a joint venture applicant, must be free of any conviction of any offence related to fraud, money laundering or corruption and the like under the laws of any country.

The details of the requirements are stipulated in the prequalification documents which can be purchased from the following address:

**Tender Unit,
